A CARD

I desire through this medium to express my sincere and heartfelt thanks to the kind friends in Ocala who in my hour of sad bereavement have shown to me such loving sympathy and to the memory of my husband such tokens of respect and affection. I pray for each one a rich and abundant reward. Adelaide J. Garrett.

TOO MUCH TURPENTINE

Turpentine operators are rather blue over the price of spirits. We heard one man remark this week that 32 cent spirits this year meant a greater loss to operators than 24 cents did a year ago. Nearly every acre of available timber in the pine belt has been boxed, and the output is simply enormous.—Bronson Times-Democrat.

WHEN TRAVELING

Whether on pleasure bent or business, take on every trip a bottle of Syrup of Figs, as it acts most pleasantly and effectually on the kidneys, liver and bowels, preventing fevers, headaches and other forms of sickness. For sale in 50 cent bottles by all leading druggists. Manufactured by the California Fig Syrup Co. only.

LIGHT, STRONG FURNITURE

Is most desirable for summer use. The demand for
Reed and Rattan Chairs and Rockers
Has increased with the increased knowledge of their utility and comfort. Prall only in appearance, these light, handsome goods will outlast many of the heavier build.
Put aside some of the upholstered chairs and add one of those to your furnishings.

COMMENT IS UNNECESSARY

Several days ago Ed and Lonnie Williams had some trouble with Leach Lock, a bad negro, at Otter Creek, in which Lock used his gun freely and disappeared. Sheriff Sutton started out to find him, but a telegram was received from Otter Creek Tuesday saying Lock had been found in the woods dead.—Bronson Times-Democrat.

You cannot enjoy perfect health, rosy cheeks and sparkling eyes if your liver is sluggish and your bowels clogged. DeWitt's Little Early Risers cleanse the whole system. They never gripe. Anti-Monopoly Drugstore.

LEGISLATIVE LORE AND LINGO

Sayings and Doings of the Solons at the State Capital

(Tampa Tribune)

Tallahassee, April 18.—The dentists won their fight against the Williamson bill today. The measure was laid on the table in the senate, and will probably not rise again. While Mr. Williamson has been at home, attending to his extensive strawberry patch, the dentists have been dealing knockout blows to his pet measure.

The senate broke the record today by clearing its calendar within two hours. Among the bills passed were the following:

Prohibiting the carrying of concealed weapons.

In relation to entry judgments and decrees on supersedeas, and appeal bonds against principals and sureties.

Prohibiting shooting into or throwing deadly missiles into dwellings, street cars or vehicles.

Senator Kirk's resolution to investigate the acts of the state board was laid on the table today, subject to call. The house passed the resolution disclaiming any intent to reflect on the state board in refusing to authorize the board to dispose of the convicts.

The resolution alleges that the house preferred to leave the matter to the board without instructions, but reserving the right to take any action it may think proper at any time.

The house passed only one bill today, that regulating the weights of produce sold in the state.

There was considerable debate over the bill which passed the senate yesterday, making insanity grounds for divorce. The bill was slightly amended and engrossed for third reading.

Mr. Watson introduced an important bill relating to the assessment and collection of revenue.

THE VALUE OF ARBITRATION

A Great Strike of Steel Workers
Avoided by An Amicable
Settlement

Pittsburg, April 18.—A strike which would have involved 199,000 men, and would doubtless have proved the most disastrous in history, was avoided this afternoon by a settlement, under the terms of which all the disaffected men will continue at work and those who have actually struck will resume their accustomed places on Monday morning. The settlement was announced late this afternoon from the headquarters of the Amalgamated Association. The men got nearly all that they asked for. The terms are, it is stated, satisfactory to the employers.
